Dere James (snail)

Hi my name is  
Alexah I go to Azevada Elementary  
School. I am a 3rd grader. I really  
liked your act. You were really funny  
One of my favorite parts was when  
you shuffled off stage. All of what you did  
made the crowd laugh.

I loved the song you sang at the end. You  
sang the song like you were a pro, because  
you sang so well. I really think you should be  
in another play.

Your Friend,

Alexah
