Dear James/Snail

Hi my name is Marisa.

I think your part is great
in a year with Frog and Toad.

I'm sending this letter to thank you
for the play a year with Frog and
Toad.

It was so funny when you
sang "The Letter." You made the snail
come to life and every one use
their imagination to make the play.

I loved every part of the play. Thank you so much.

Sincerely

Marisa B
