

## KidsCamp 2010

Arnold Lobel's well-loved characters hop from the page to the stage in Robert and Willie Reale's musical *A Year With Frog and Toad*. Conceived by Mr. Lobel's daughter, Adrienne Lobel, *A Year With Frog and Toad* remains true to the spirit of the original stories as it follows two great friends, the cheerful and popular Frog and the rather grumpy Toad through four fun-filled seasons. Waking from hibernation in the spring, they proceed to plant gardens, swim, rake leaves and go sledding, learning life lessons along the way, including a most important one about friendship and rejoicing in the attributes that make each of us different and special.
