This class is designed to give students an introduction to the world of musical theatre through song and dance. We will work on pieces from *Oliver*, *Annie* and *Peter Pan*, culminating in a sharing, "The Orphans of Broadway." This class is perfect for the beginning to intermediate student or the student who loves musical theatre, but does not have time to commit to a main stage production. Students will have the experience of being a part of an ensemble, gain a sense of accomplishment, and most of all have fun with musical theatre!

Instructor: Kathryn Zdan

(3:30-4:30pm/**Ages** 5-7) (4:35-5:35pm/**Ages** 6-8)

Enrollment Fee: \$180

In this class we will learn to get rid of inhibitions by getting out of our heads and into a creative space. We will use our bodies, voices, and imaginations to create atmosphere, pictures, and character. Each student will engage their own imagination and find ways of expressing their own ideas, sensibilities, and stories, as well as ensemble work and creation. Ideal for both beginners and advanced students, this class is all about having fun and expressing yourself in new ways.

Is your child ready for a life on the stage? This course allows your young artist to explore the tools that every actor needs to be comfortable on the stage. The student will explore their imaginations, and learn how to communicate ideas. Your artist will discover how to use their bodies and voice as a tool and connect this to developing a character. Creative Drama is a wonderful introduction to the theatre and a way to build confidence through a fun theatrical journey.
